

Biological effects of Radiation Hazards (Index)

- * 1. Hazards due to total body Irradiations by Radar; H. P. Schwab & K. L. L.
PROCEEDINGS OF THE IRE PAGE 1572 NOVEMBER 1956
2. Mass Casualties Management; 17 Mar 59. Bibliography of materials and course lectures on Management of M. C.
- * 3. The Biological Effects of Microwave Radiations on Air Force Personnel; George M. Knauf, Col. -Med. Corp. , American Med. Asso. 3-7Jun57, N.Y. City
4. Irradiation - Safety - Fallout; Memo for Record 12Mar58.
- * 5. Hazards to Health from Microwave Energy , AB-40-583 (*Army Regulation*) *1955*
- 5a. Evaluation and Reporting Internal Exposure to Radioactive Materials
AB-40-582/
6. Environmental Hazard in Connection with Radar Equipment.
7. Radio Frequency Radiation Hazards; Handbook TO. 31-1-51, 15Apr53
- 7a. Letter from Major Cahill to Div. Eng. USASED, Mass.
- * 8. Researching Microwave Health Hazards, Leary; Electronics 20Feb59
9. Possible Radiation Hazard (All Personnel) 28Jan59
10. Request for T.O. 31-1-50 (Handbook) 10Oct59
11. T.O. 31-1-50
12. Appendix 5
13. Radiation Hazards Poster, 7 Nov 58
14. Bibliography; Biological Effects of Radio Frequency Energies.
- * 15. Symposium on Physiologic and Pathologic Effects of Microwaves.
IRE TRANSACTIONS ON MEDICAL ELECTRONICS
PROFESSIONAL GROUP ON MEDICAL ELECTRONICS - 4 FEBRUARY 1956
16. Visit to Washington , D.C., "Radiation Effects", 18 Jun 57.
17. Death of Man by Radar, 30 May, Los Angeles
18. Tissue Destruction and Death from Microwave Radiation (Radar)
California Medium, May 57.
19. The Effects of Microwaves, A.C. Boyle, H.F. Cook, D.L. Woolf/ Annals of
Phys. Med. Jan 52.
20. Radar Death Calls for Caution; Electronics, Vol 30, No. 6, 20 Jun 57
- * 21. Eye Protection In Radar Fields; Egan, Electrical Engineering, Feb. 57
22. Microwaves and their Biological Effect; (Pertinent Ris)

23. Bilateral Lenticular Opacities Occuring in a Technical Operator of a Microwave Generator.
- *24. Biological Effects study on Microwave Radiation. Aug. 55.
USAF SCHOOL OF Aviation Medicine, Randolph AFB, Texas
25. Radiation Effects on Human Gonads, X-Ray News, Apr 57
26. Industrial Medical Hazards RADC Reg. NR. 160-1
27. Investigation of the Biological effect of Electromagnetic Radiation (Status Report)
28. Heating Characteristics of Lab Animals Exposed to 10 Centimeters Microwaves.
Project NMOOL 056.13.02 NMRI. NAVAL MEDICAL RESEARCH INSTITUTE
29. Reference List of Publications on Bio Effects of Micro-wave Radiation.
30. Same as above No. 29 *should be checked against own Bibliography*
31. Microwaves and Their Biological Effects (Pertinent Bibliography)
32. Radiation - Hazard AN/PSS-6 Radars 19 Jan 55
33. DA Cir. 40-2 26 Sept 57. Giles
34. BIB of Biological Effects of Microwave Radiation.
35. Reference Lists of Publications on the Biological Effects of Microwave Sickness.
36. Care for Radiation Sickness.
- *37. Cir. 40-2 "Possible Health Hazards Associated with Microwave Frequencies."
DEPT OF THE ARMY
38. Proceedings of Tri-Service Conference on Biological Hazards of Microwave Radiation 15-16 July 57
39. The Argonne High Level Gamma Irradiation Facility.
- *40. Researching Microwave Health Hazards p-3 Vol 9 Philco Tech Rep May - June 59
Same as No. 8
41. General Rules and Procedures Concerning Radioactive Hazards.
Definitions of Roentgen, Rep. and Pem; Isotopes Division, U.S Atomic Energy Commission.
