

NAVAL MEDICAL RESEARCH INSTITUTE

EMR

LECTURE

TITLE: Experimental Microwave Cataracts

SPEAKER: Dr. Russell L. Carpenter

TIME: 2:30 P.M. (1430), Wednesday, May 10, 1978

PLACE: NMRI Auditorium

The Naval Medical Research Institute is pleased to announce a lecture by Dr. Russell L. Carpenter of the Bureau of Radiological Health, Division of Biological Effects, Winchester, Massachusetts. He has also been associated with Tufts University, School of Medicine and the Massachusetts General Hospital. Dr. Carpenter is one of the foremost investigators of microwave cataractogenesis in this country.
