Conf on Minor Electromagnetic Medical
R72-44(I-OTF)

List of Documents Received from Dr. P. Czerski,
Warsaw, Poland

1. P. Czerski, "Microwave Irradiation and Bone Marrow Function," abstract, August 4, 1972 (English) *
2. Polish law of May 25, 1972 concerning microwave exposure, full official text (Polish)
3. S. Baranski and Z. Edelwejn, "Electroencephalographic and Morphological Investigations on the Influence of Microwaves on the Central Nervous System," reprint Acta Physiologica Polonica, Vol. 18, No. 4, 1967, pp. 423-436 (English)
4. S. Baranski, P. Czerski and S. Szmigielski, "The Influence of Microwaves on the Mitosis in Vivo and in Vitro," reprint, Post. Fiz. Med. Vol. 6, No. 3, 1971, pp. 93-98 (Polish and English summary)
5. S. Baranski and P. Czerski, discusses blood picture in persons occupationally exposed to microwave radiation, reprint, Lekarz Wojskowy, Vol. 42, No. 10, 1966, pp. 903-909 (Polish)
6. S. Baranski, P. Czerski, L. Czekalinski and S. Haduch, "Studies on the Influence of High Density of Power of Microwaves in a 3 cm Band on the Organism of Mice," reprint, Medicina Praci, Vol. 14, No. 2, 1963, pp. 129-137 (Polish)
7. I. R. Petrov, "The Influence of UHF Radiation on the Organism of Man and Animals," Medicina, 1970, Leningrad Branch, Leningrad, 1970. (This is a monograph of 200 odd pages. Czerski furnished only the reference and recommends it highly.) Original Russian reference follows:

ВЛИЯНИЕ СВЧ ИЗЛУЧЕНИИ НА ОРГАНИЗМ

ЧЕЛОВЕКА И ЖИВОТНЫХ

РЕД. И. Р. ПЕТРОВ, ИЗД. "МЕДИЦИНА"

ЛЕНИНГРАД 1970

One of the affiliations and addresses for Drs.
Baranski and Czernski:

Commission on Biologic Effects of Non-ionizing Radiation
of the Polish Academy of Sciences.

Chairman: prof.dr med.Stanisław Barański

Secretary: assoc.prof.dr med.Przemysław Czernski

address: Instytut Biostruktury A.M.
Warszawa 2 ,ul.Chałubińskiego 5
POLAND

Helmut M. Altschuler
National Bureau of Standards
Boulder, Colorado 80302
