DLS Additions to Presentations

Add Czerski, P. Experimental approaches to the study of effects of environmental factors on germ cells and meiosis. The George Washington University, Washington, DC. September 23, 1986.

- ✓ o D.A. Madden, R.P. Chiacchierini, M.E. Stratmeyer, F.H. Dworkin and P.L. Roney, "Relationship Between Fetal Birth Weight, In Utero Ultrasound Exposure, and Other Variables", Proceedings of the American Statistical Association, 374-378 (1985); presentation. (date will be in Chiacchierini list)

Add Felten, R.P., A dialogue between the FDA and Industry, Symposium on Medicine and Biology, ICALEO meeting, San Francisco, California, November 11-14, 1985.

Add ✓ Glaser, Z., H. Cyr, A. Brown, and J. Scudiero. A review of the literature relating to residue levels on ethylene oxide-sterilized medical devices (abstract). Proceedings of the 21st Annual Meeting of the U.S. Public Health Service Professional Association, Washington, DC. June 15-18, 1986. Presented paper.

Add Hitchins, V.M., Bockstahler, L.E., Carney, P.G., Lytle, C.D., Olvey, K.M., Withrow, T.J., and Honigsmann, H., Comparison of Khellin and 8-MOP as UVA photosensitizers for mammalian cells, American Society for Photobiology, Photochemistry & Photobiology, 43s, 275, 1986. Los Angeles, CA, June 22-26, 1986.

Add Li, Z-L., Tso, M.D.M., Waxler, M., and Jampol, L.M., Experimental retinal damage induced by near-UV in aphakic and pseudophakic monkeys, University of Illinois, Lions Eye Research Institute, Alumni Day, Chicago, Illinois, May 21, 1986.

Add Pay, T.L., M.E. Stratmeyer, and M.K. Barrick. The effects of high peak, short pulse ultrasound on the eggs of drosophila melanogaster (abstract). Proceedings of the 30th Annual Meeting of the American Institute of Ultrasound in Medicine, Dallas, TX. October 8-11. Presented paper.

Add Ruckman, R.N., M.E. Stratmeyer, R.M. O'Donnell, D.E. Moirse, and P.R. Getson. Ultrasound effects on embryonic heart structure and function (abstract). Circulation 72, III-11, 1985. Presented paper. 58th Scientific Sessions of the American Heart Association. Nov 11-14 1985
